Fact Sheet

April 2009

Target branches: Metal forming technology, printing and converting, surface finishing, food and packaging, machine tools, mounting and handling, press automation, power engineering, pressure casting / plastics, material handling, construction machines, agricultural and forestry machines, commercial vehicles, textile, handling and automation, aluminium and automotive industries.

Locations in Switzerland

Head Office: Buttikon

Manufacturing Base: Buttikon

Distribution Locations: Distribution office in the west part of Switzerland, Vevey

Distribution partners:

Linear Motion: Amsler & Co. AG, Feuerthalen

Assembly Tech.: FMS-Technik AG, Beringen
New Ingenia SA, Delémont

Projects undertaken in Switzerland

Electric Drives and Controls:

- Ambotec AG, handling, assembly and manufacturing systems
- Güdel AG, transfer systems roboBeam
- Lambert-Wahli AG, roller mills machine W100
- LCA Automation AG, assembly systems for automobile steering column
- Mewag Maschinenfabrik AG, modular bending machine
- Mikron SA, linear CNC transfer processing systems
- Rino Weder AG, cheese care robotics

Fact Sheet

April 2009

Industrial Hydraulics:

- Humard Automation SA, precision presses
- Jenny Precision AG, fully automatic gag presses Step 1200
- Thalmann Maschinenbau AG, rotational bending machine

You can find the complete application reports of Industrial Hydraulics on:
www.boschrexroth.ch with Webcode: **CH0013**

Linear Motion and Assembly Technologies:

- Baumer Electric AG, Top-Lean-Production
- Bosch Rexroth Schweiz AG, most modern packing table
- Insys Industriesysteme AG, multi-lane work piece transport system
- Isotherm AG, extraction drift of production equipment
- König AG, service centre Lean-Production
- Maxon AG, manufacturer of motors

You can find the complete application reports of Linear Motion and Assembly Technologies on:
www.boschrexroth.ch with Webcode: **CH0014**

Pneumatics:

- Ebnat- Kappel AG, brushing factory
- Eckold AG, Hit-Clinch technology (add pressure)
- Ewag AG, work piece grinding centres EWAMATIC LINE
- Komax AG, cable processing systems and assembly machines
- Mikron, simultaneous at all respects

You can find the complete application reports of Pneumatics on:
www.boschrexroth.ch with Webcode: **CH0015**
